

DECEMBER 2025 NEWSLETTER

Safety for Every Step, Together

Australian-Made Pedestrian Safety Products You Can Trust

Proudly manufactured in Glen Waverley, Victoria, our Class 1 (Best-In-Class), metal-backed stair nosings, ladder rung covers, and Safeplates are built to last, easy to install, and compliant with Australian Standards. With long-term durability and cost-saving design, our products deliver safety and value for every workplace.

ENHANCED VISIBILITY FOR SAFER WORKPLACES

- Extensive colour range to suit any environment
- Safety Yellow and NANO-Green for superior luminance
- Helps prevent slips, trips, and falls across industries

INDUSTRIES SERVED:

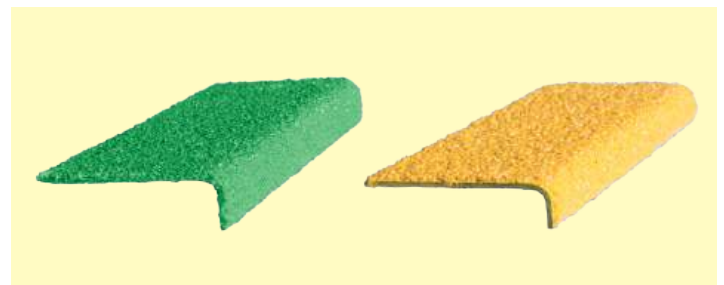

- Manufacturing, warehousing, engineering, and fabrication
- Mining, rail, transport, and logistics
- Aviation, shipping, dockyards, and defence

EMPOWERING OUR CHANNEL DISTRIBUTORS

We work closely with our reseller partners to help grow their presence, profile, and supply capabilities. Through product knowledge, marketing support, and access to our high-quality antislip product range, distributors can sell more antislip safety solutions while providing safer workplaces for their customers.

Why Choose Advance Anti-Slip Surfaces Products?

- Built to size for a perfect fit
- Long-lasting, reducing maintenance and replacement costs
- Easy to install, compliant, and cost-effective
